

## What is a Home-School Compact?

Our annual Home-School Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

### Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

### Jointly Developed

The parents, students and staff worked together and shared ideas to develop the school-parent compact. During the day and after school Title One Meeting is held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting.
